RDC @ Western Newsletter

CANADADAY
CELEBRATION
FRIDAY JULY 1st, 2016 | RDC WILL BE CLOSED

Research Data Centre at Western's Monthly Newsletter

The University of Western Ontario Research Data Centre's monthly newsletter is a great resource for researchers who would like to be informed of new data sets, change in the RDC hours of operation, holiday/closures, and new RDC protocols.

The newsletter is now available [online](#)

New data sets at the RDC

In the upcoming weeks we will be receiving new data sets and surveys at the Research Data Centre at Western. Researchers interested in accessing these data sets are encouraged to submit proposals!

Call for Proposals: CRDCN National Conference 2016

Submissions are welcome from all relevant disciplines. The only requirement is that the analysis use Statistics Canada microdata or other data available in the Canadian Research Data Centres Network. We wish to encourage questions about, and evidence-based analysis of, the state of Canada and Canadians with respect to health, economic well-being and overall happiness, but non-thematic submissions on any topic that make use of, or are relevant to the use of Statistics Canada microdata, are also welcomed as are proposals for full session and panel.

The deadline to submit an abstract is August 15.

For further details please [click here](#) to access the event page.
