New Health Canada Reports

Health Reports is a peer-reviewed journal of population health and health services research published by the Health Analysis Division of Statistics Canada.

[Grip strength reference values for Canadians aged 6 to 79: Canadian Health Measures Survey, 2007 to 2013](#)

by Suzy L. Wong

[Reduced muscular strength among Canadians aged 60 to 79: Canadian Health Measures Survey, 2007 to 2013](#) by Suzy L. Wong

Call for Papers: Migration and Mobility in 2017 and Beyond

The 19th National Metropolis Conference will be held in Montreal on March 16-18, 2017. Organizers are now accepting proposals for workshops, roundtables, and poster presentations. The deadline for submissions is November 14, 2016.

The National Metropolis Conference is an annual forum for researchers, policy makers, representatives from community and settlement organizations to get together to share and exchange knowledge and experience in the field of immigration and settlement.
